Any Other important Observation

1. Separate common room for girl students at present is not available which should be arranged at earliest.
2. Internet connection which is suspended is required to be continued for students.
3. Faculty members should be encouraged to undertake research projects which are related with the local issues.
4. NCC wing is not established. If a student gets 'C' certificate, there is an opportunity to get entry in defence services at technical level.
5. Indoor game facilities are available which can be improved by introducing a Multi Gym
